Additional Instructions

- **Beneficiary address:** The net-banking portal would need you to enter an overseas address for the beneficiary (yourself in this case). If you don't have an overseas address, just select any option in the state field (if required) and ignore the country. Mention the complete Indian address in the address field.
- **USD remittance:** For USD remittance to your account, select the receiving country as United States and proceed to next page. Mention the UK address in the beneficiary address column. Mention any state in the State dropdown and any 5 digit number in the Zip code section. Mention 0000041404 in the routing number.

- Sender Mobile Number: Your mobile number
- Please enter the OTP and verify.
- Click on 'Next Step'
